

North

A

B

40°

The diagram consists of a vertical line extending upwards from a point labeled *A*. A second line segment, labeled *B* at its upper end, extends from point *A* towards the upper right. An arc is drawn at point *A* between the vertical line and the segment *AB*, with the label 40° placed next to it. The word "North" is positioned at the top of the vertical line.
