

North

*A*

*B*

$60^\circ$

The diagram consists of a vertical line extending upwards from a point labeled 'A'. A second line segment, labeled 'B' at its end, extends from point 'A' towards the upper right. An arc is drawn between the vertical line and the segment AB, with the label '60°' placed next to it. The word 'North' is positioned at the top of the vertical line.
